CLOSING REMARKS

About BGCCB

The Boys & Girls Clubs of The Coastal Bend (BGCCB) fills the gap between school and home for youth ages 6-18. Through our efforts, we are able to reduce the risk of children and teens being unsupervised, unguided, and unsafe when school is not in session. BGCCB's after-school programs provide unique experiences that expand our youths' learning opportunities and provides a lifeline for working parents.

Our Mission

Since 1957, our mission has been to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Our Vision

Our vision is to provide a world-class Club experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character & citizenship, and living a healthy lifestyle.

2023 Honorees

Community Commitment Award

From time to time, there is one charitable organization, family, or individual, who makes a significant difference, in some clearly defined way, to better the club and one or more of its programs that warrants their recognition as the recipient of the Community Commitment Award.

Anne & Hugh Dobson

Outstanding Service Award

The success of the Boys and Girls Club programs largely depends upon the support and contributions made by individuals who contribute time, talent, and resources beyond what is otherwise expected. The individual who receives this award, has made a very significant contribution to improving the organization during the calendar year.

Joe Guzman

Sheridan Lewis Award

This award is named after the founder of our local club. It is awarded to an organization that has played a significant role in furthering the mission and goals of the Boys and Girls Club of The Coastal Bend. The contributions of the award recipient has resulted in inspiring and enabling young people of all backgrounds, especially disadvantaged youth ages 6 to 18, to build self-esteem and acquire the skills that are needed to help them become productive, responsible, and caring citizens.

Valero

Alumni of the Year

The Alumni of the Year Award honoree has forged a unique, successful path through the foundation of the Boys & Girls Club's Programs. The Alumni of the Year inspires our Boys & Girls Club youth to accomplish their dreams!

Billie Delgado

Mr. Delgado has worked for the City of Corpus Christi for over 34 years and is currently the Emergency Management Coordinator. He has been married for 48 years to his high school sweetheart, has two boys and three beautiful grandchildren.

Helping Texans

is at the heart of H-E-B.

Over 115 years ago, we opened our doors to help make the lives of hard-working Texans better. We were a family business back then. We remain a family business today with a passion for - and a helping hand in - every community we serve.

From fighting hunger and providing disaster relief to honoring Texas educators and our Nation's military, we're firm believers in Texans helping Texans. We do this for one simple reason. **We are from here, so we are helping here.**

Helping Here.

HUNGER RELIEF * EDUCATION * DIVERSITY * HEALTH & WELLNESS
SUSTAINABILITY * DISASTER RELIEF * MILITARY APPRECIATION
